

B.Sc. Chemistry Practical; Sem - III
(GE and Programme)

Time - 10 AM to 11 AM

F.M - 30.

Viva-voce questions

- 1) Why the drop of a liquid becomes spherical?
- 2) Why surface tension of CCl_4 is less than water?
- 3) Discuss the effect of temperature on viscosity.

Examination Procedure:

- 1) Write down the answer of all questions on A-4 size white paper sheet and upload on your WhatsApp group before 11 AM. and Departmental E-mail before 11.30 AM.

Mail ID - Chemistrydepartmentkcc1@gmail.com.

2) Upload the contents in the following order :

- i) 1st page - Name ; College roll no. and Univ. roll no.
- ii) 2nd page - Sem-II marksheet.
- iii) Third page - Answer of viva-voce questions.
- iv) 4th page - Index of your practical record book bearing your name and Roll no.
- v) upload only 1st page of all the experiments bearing your name and roll no.
