INTERNATIONAL WEBINAR

Theme: International Webinar: Challenges in e-learning Environment

Resource Person: Dr. Ismail Zain

Dynamic Global Vision Consultancy in Malaysia

The “International Webinar: Challenges in e-learning Environment,” organized by the Department of Geography at Karim City College, Jamshedpur, provided a valuable platform for discourse on the evolving landscape of e-learning. Commencing with insightful introductory notes from the organizing secretary, Dr. Mohammad Reyaz, and the convener, Dr. Aaley Ali (HOD), the webinar aimed to address the multifaceted challenges encountered in the realm of online education. Dr. Ismail Zain, representing Dynamic Global Vision Consultancy in Malaysia, served as the resource person, sharing expertise and perspectives on navigating the complexities of e-learning. The event, held on June 2, 2020, at 10 AM, witnessed the participation of a significant number of students eager to enhance their understanding of the subject. Prof. Masood Ahsan Siddiqui, an eminent scholar of Geography from the Department of Geography at Jamia Millia Islamia, New Delhi, added further depth to the discussions, enlightening the audience with his profound insights. The event concluded with a vote of thanks delivered by Dr. Farzana Anjum, assistant professor and co-convener, expressing gratitude to all participants for their active engagement and contributions.

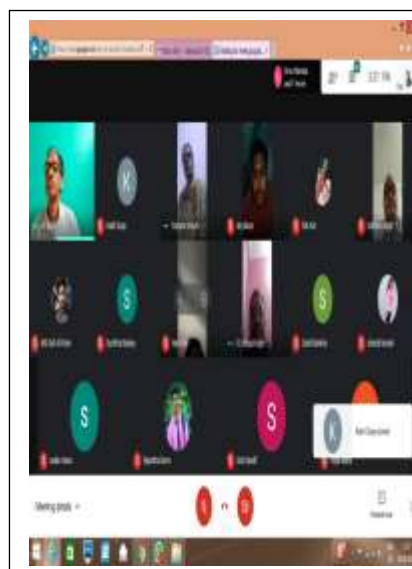

WEBINAR

Theme: World Degrading Environment

Resource Person: Dr. Aaley Ali

HoD & Associate Professor, Department of Geography, Karim City College

The Department of Geography at Karim City College, Jamshedpur, organized a thought-provoking webinar titled “World Degrading Environment” on June 5, 2020, at 3 PM. The event commenced with insightful introductory remarks by the organizing secretary, Dr. Mohammad Reyaz, setting the stage for an engaging discourse on the critical issues surrounding our global environment. Dr. Farzana Anjum, Assistant Professor and Convener of the event, welcomed the participants and introduced the esteemed resource person for the day, Dr. Aaley Ali, Head of the Department. Dr. Ali, as the resource person, shared valuable insights into the challenges faced by the world due to environmental degradation, providing a comprehensive perspective for the attending students, particularly those pursuing B.A. Hons in Geography. The webinar served as a platform for knowledge exchange and awareness building. The event concluded with a heartfelt vote of thanks delivered by Dr. Farzana Anjum, expressing gratitude to all participants and emphasizing the importance of continued discussions and actions to address environmental concerns on a global scale. The webinar not only enriched the academic experience for the students but also fostered a sense of responsibility towards the environment among the participants.

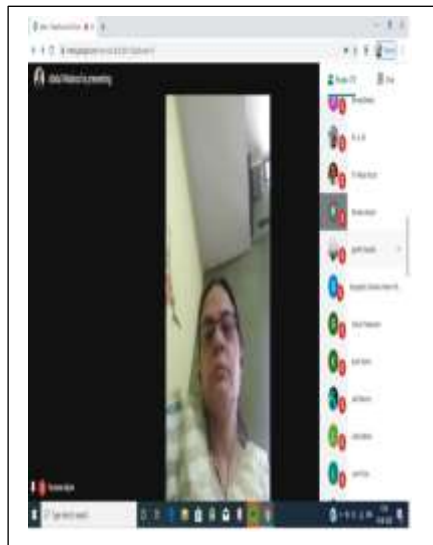

NATIONAL WEBINAR

Theme: Weather and Climate: Impact of Covid-19 Lockdown

Resource Person: Dr. Abdul Wadood

Meteorological Department of Ranchi, Jharkhand

The National Webinar on “Weather and Climate: Impact of Covid-19 Lockdown,” organized by the Department of Geography at Karim City College, Jamshedpur, proved to be a significant forum for understanding the intricate relationship between the pandemic-induced lockdown and its effects on weather and climate. Dr. Mohammad Reyaz, the organizing secretary, set the tone with introductory remarks, highlighting the relevance of the topic in the contemporary context. Dr. Aaley Ali, the Head of the Department, served as the convener, bringing together a diverse group of students, particularly those pursuing B.A. Hons in Geography, who actively participated in the webinar. The event featured Dr. Abdul Wadood from the Meteorological Department of Ranchi, Jharkhand, as the resource person, providing valuable insights into the meteorological implications of the lockdown. The webinar, held on June 18, 2020, at 11:30 PM, offered a platform for students to deepen their understanding of the subject matter. Dr. Farzana Anjum, Assistant Professor, extended a heartfelt vote of thanks, expressing gratitude to the organizers, participants, and the resource person for their contributions to the enlightening discussion. The collaborative efforts of all involved made the webinar a commendable initiative in the academic exploration of the interplay between public health measures and environmental dynamics.

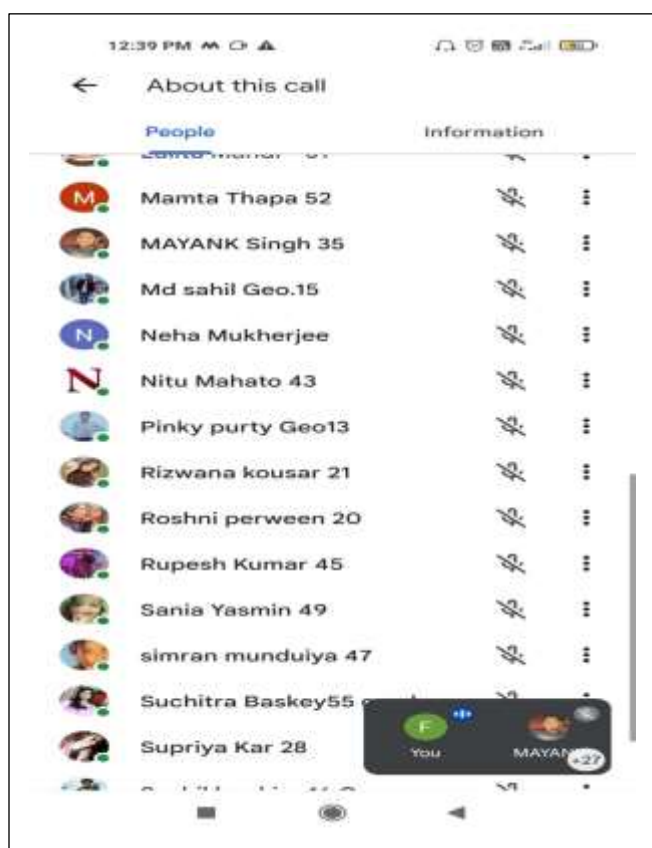

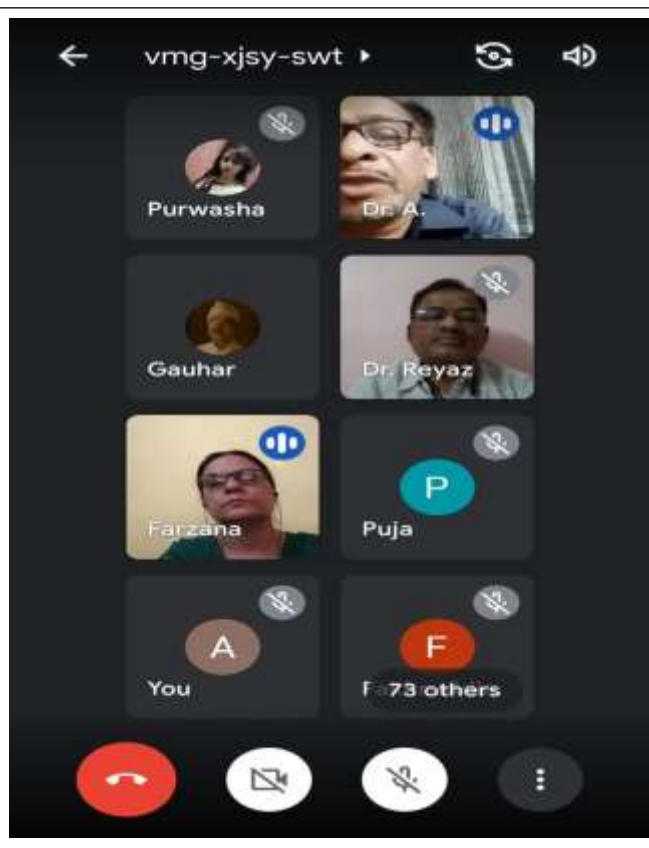

WEBINAR

Theme: Career in Geography

Resource Person: Dr. Mohammad Reyaz

Associate Professor, Department of Geography, Karim City College, Jamshedpur

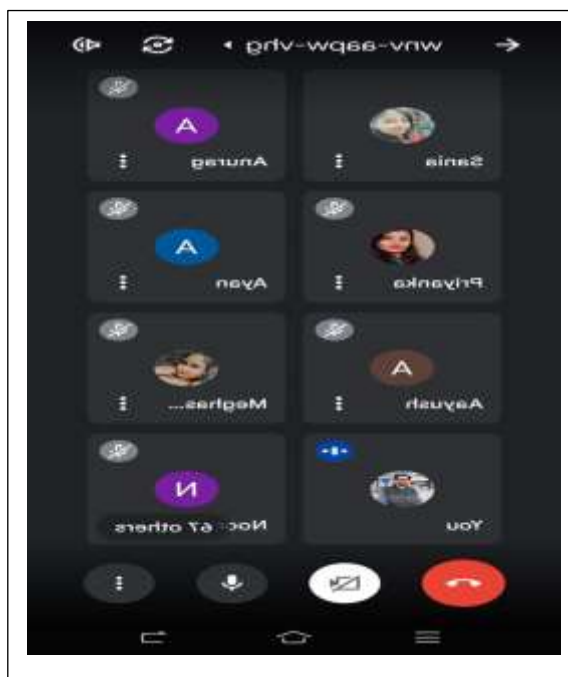

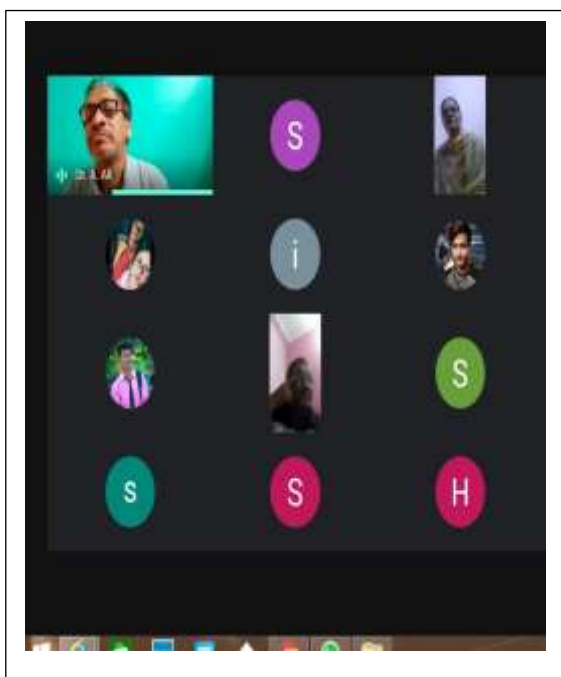

The Department of Geography, Karim City College, Jamshedpur, hosted a special webinar lecture via google meet (<https://meet.google.com/vmg-xjsy-swt>) on **July 7, 2020, at 12 NOON**, focusing on the compelling theme of “Career in Geography.” Dr. Aaley Ali, the Head of the Department, played a pivotal role as the Convener of the event, ensuring its smooth execution. Dr. Farzana Anjum, the Co-Convener, added valuable support to the initiative. The distinguished Resource Person for this enlightening session was Dr. Mohammad Reyaz, an Associate Professor from the Department of Geography at Karim City College. Dr. Reyaz shared his expertise and insights into the diverse career opportunities within the field of Geography, offering valuable guidance to the attendees. The online platform facilitated the seamless exchange of knowledge and ideas, making the event a successful endeavor in promoting awareness about career paths in Geography among the students and enthusiasts alike.

WEBINAR

Theme: ICT Computing Skills

The Department of Geography at Karim City College organized a comprehensive Webinar on ICT Computing Skills tailored for B.A (Hons.) Geography students, bridging the gap between traditional geographic studies and the contemporary demand for technological proficiency. The event was held on two occasions, on December 12, 2020, for Odd Semesters, and on March 9, 2021, for Even Semesters. Dr. Aaley Ali, the Head of the Department, delivered a warm welcome address and expounded on the importance of ICT computing skills in the realm of geography studies. The session continued with insights from Dr. Mohammad Reyaz, providing valuable perspectives on the integration of Information and Communication Technology in the field. Students were equipped with essential skills and knowledge relevant to their academic and professional pursuits. Dr. Farzana Anjum, extending her gratitude, presented a vote of thanks, acknowledging the efforts of the organizers, speakers, and participants in making the webinar a significant contribution to enhancing the academic experience of B.A (Hons.) Geography students at Karim City College. The initiative reflected the department's commitment to fostering a holistic education that encompasses both traditional and modern facets of geographical studies.

STUDENTS SEMINAR

Theme: Essence of Geographical Knowledge during the COVID-19 Period

Chief Guest: Prof. Preeti, Assistant Professor, Department of Geography,
Jamshedpur Women's College

The Department of Geography at Karim City College hosted a Students' Seminar on the Essence of Geographical Knowledge during the COVID-19 Period," on March 19, 2021, at 3 PM at the college Auditorium. Dr. Aaley Ali, the Head of the Department, served as the convener and delivered a warm welcome speech, setting the tone for the insightful discussions to follow. Co-Convener Dr. Farzana Anjum contributed to the seminar's success. The seminar featured presentations from five students—Neha Mukherjee, Supriya Kar, Mayank, Urooj Shamsi, and Rupesh Kumar—each exploring diverse topics related to the overarching theme. Their contributions shed light on the significance of geographical knowledge amid the challenges posed by the COVID-19 pandemic. Vishal Giri extended a vote of thanks, expressing gratitude to all participants for their valuable insights and making the seminar a rewarding experience for everyone involved.
