

DEPARTMENT OF

PHYSICS

ANNUAL REPORT

2019 - 2020

The session 2019 – 2020 was **started** in the month of July 2019 following a General Induction programme in which the newly admitted students were addressed by the Principal and various faculty in-charges. The newly admitted students were informed about, activities, regulations , culture and ethos of the campus. The faculty members were also introduced to them.

ACTIVITIES

- Following this, the department organized its own **Induction session** for the students on Monday, the 5rd August wherein the students were introduced to the history of the Department, its annual schedule of academic and co-curricular activities, its faculty members and its students of senior batches. The session also involved in explanation to the structure of their syllabus , the course division among the faculty members and the recommendation of a basic reading list.
- On the 7th of September 2019, **Fresher's Party** was organised by the senior students of the department to welcome the new batch of juniors. The occasion was attended by the Principal and all the faculty members of the department along with the teachers of the department and included among the games and activities.
- On 14th December, 2019, the departmental **students' seminar** was held for the students of Semester – III having been allotted topics from their syllabus more than one month in advance. The students had been encouraged to prepare Power Point Presentations and instructed to submit a copy of their written presentations to the department.

- On 19th January, 2020 , the department scheduled its **class test** for all the students of Sem - I and Sem – II. The test was patterned in accordance with format of the University Examination and a three hour time was allowed to the students to answer a 100 marks Paper. The answer sheets were evaluated by the teachers of the respective papers and submitted to the department. Depending on the performance of the students , measure was announced by the Head to bring about improvements including announcement of extra classes on certain topics and the counseling of students has been done by the faculty members.
- In the 1st week of February , 2020 ,the department organised a **Parent – Teacher meeting** of Sem - I and Sem – II students and discussed the performance of their ward regarding the attendance , discipline and class test performance .
- On the 2nd week of March, 2020, the senior students of the department were given a **Farewell Party** by their two junior batches as per the plan made by them. All the faculty members of the department were present in this occasion. The programme was highly entertaining and successful.
