

DEPARTMENT OF PHYSICS

KARIM CITY COLLEGE,

JAMSHEDPUR

ANNUAL REPORT

2021 - 2022

Due to the Covid-19 pandemic the session 2021– 2022 was late. It started in the month **November 2021** following a General Induction programme in which the newly admitted students were addressed by the Principal and various faculty in-charges. The newly admitted students were informed about, activities, regulations, culture and ethos of the campus. The faculty members were also introduced to them.

ACTIVITIES

- The department organized its own **Induction session** for the students on Monday, the 20th November 2021 wherein the students were introduced to the history of the Department, its annual schedule of academic and co-curricular activities, its faculty members. The session also involved the explanation of structure of their syllabus, the division of the syllabus among the faculty members and recommendation of a basic reading list.
- On the 16th of December 2021, **Fresher's Party** was organized by the senior students of the department to welcome the newly admitted students. The occasion was attended by the Principal and all faculty members of the department along with the non-teaching staffs of the department. The programme included various games and cultural activities.
- A class test of Semester 1 (2021-24) was taken on 07.02.2022
- A meeting with Students of Semester 3 was held on 04.03.2022 to inaugurate a Physics Club named UNIPHY (Unity with Physics).
- A meeting with Students of Sem 3 (2020-23) was held on 23.03.2022 to inaugurate Electronics Club
- A minor project work was started by the students of Electronics Club in May 2022.
By the end of June the students of Electronics Club successfully completed their minor project to construct an electronic quiz buzzer by using IC 555.
