DEPARTMENT OF POLITICAL SCIENCE

ANNUAL REPORT

2022-2023

This year Kolhan University had adopted the new **FOUR YEARS UNDER-GRADUATE PROGRAM (FYUGP)**, a new scheme with four years of undergraduate studies. A new syllabus was proposed under NEP (New Education Policy 2020) by UGC with a completely new structure of syllabus and scheme of examination. The syllabus of political Science was also changed. Few new papers were added along with one major and one minor paper in first semester. Our college organized several workshops to acquaint faculty with the fine points. The process of admission was delayed because the registration through Chancellor Portal started very late. There was plenty of confusion among students in understanding the new pattern and they had tough time in selecting their subjects. The Induction meeting was held on 5th November 2022 in the college auditorium and the regular classes began from 8th November 2022
