Parent Teacher Meeting (UG) :

A meeting with the parents of UG Sem-1,3 and 6 students was organized by the department on 11th October 2018 in the department in the second half of day. This meeting was attended by almost all Parents and guardians which made them aware of the status of progress of their wards. It made them conscious about the teaching learning needs and environments to be provided at their home. Some of them came to know about the negligence from their side and they assured to overcome it. Almost all the parents attended this programme.

Parent Teacher Meeting (PG) :

A meeting with the parents of Post Graduate students was organized by the department on 5th January 2019. This meeting was also attended 14 parents and guardians. This meeting was a mode of getting feedback from the parents and giving feedback to them about their respective wards. Most of the parents realized that they were not aware of the real progress or status of their sons and daughters. It was a general feeling that such meetings will certainly improve the teaching learning environment of the department.
