ANNUAL REPORT

ACADEMIC YEAR 2018-2019

We started working for the new academic session with a new zeal after the visit of the NAAC Peer team in the month of July 2018 for the 3rd cycle of accreditation. We admitted 98 students which had very good number of female students. Female students usually take admission for better marriage prospects and are mostly inclined to take up the job of teachers.

The admission process was completed by the end of July 2018 and the induction meeting was held in the first week of August 2018. The classes for the new academic session began on 11th August 2018. One of our students Saurav Kumar (Sem3, batch of 2017-20), has done very well academically. He has participated in several events and bagged prizes as well.
