Alumni Feedback Analysis and ATR 2022-23

The Internal Quality Assurance Cell (IQAC) of the Karim City College, Jamshedpur, in association with the alumni associations of the college collects alumni feedback on syllabus and the facilities provided by the college annually. A specified sample is taken for the analysis. A well designed and structured questionnaire has been used to collect the responses. The members of the alumni associations were given an opportunity to rate the syllabus and the facilities provided by the college on a five-scale measurement. The objective of the feedback is to analyze the importance and relevance of the course and curriculum, the functional nature of the course, the co-curricular activities in the college, and the influence of campus environment of the college in their life. It also tries to evaluate the contribution of the college in their overall personality development, the career orientation of the syllabus, and also the infrastructure and facilities provided by the college.

Feedback form was given to Alumni on 10 questions to obtain their input as feedback is essential for successful planning. Alumni feedback was taken in the online format and 77 alumni responded. The main objective of this feedback is to involve the alumni in the developmental process of the institution.

The response of the alumni to all the parameters ranged between good and excellent. Most of the alumni felt proud to be a part of the college and thankful to the college for providing quality education and appreciate the dedicated faculty. They felt that the College played a crucial role in shaping their personal and professional life. The college has stuck to its vision of providing quality education to the less privileged section of society.

Alumni Feedback Analysis and ATR 2022-23

Weakness

1. A lack of space prevents the construction of new buildings, which is a major impediment.
There is no playground and parking is limited.
2. Lack of Smart Classroom.
3. There is no facility of Hostel.
4. The canteen is not maintained.
5. There are no Industrial visits for the students.
6. Lack of vocational courses to meet industrial demands.

Suggestions

1. One Student committee apart from the student committees attached to each platform.
2. Student counseling on a regular basis.
3. Students should be allowed inside the library.
4. Arrange more placement drives in the college.
5. There must be space which can be utilized by Alumni members for their academic development.
