## Teacher's Feedback Report for Session 2021-22

---

IQAC recorded feedback of teachers as part of feedback documentation of stakeholders from ... teachers of 20 departments of the college for the session 2020-21. The feedback has been recorded online through Google form with 10 questions. The teachers were given a scale of 0 to 5 in which score below 1.5 stands for 'unsatisfied', score between 1.5 & 2.5 stands for 'satisfactory', score between 2.5 & 3.5 'good', score between 3.5 & 4.5 for 'very good' and score above 4.5 for 'excellent'.

1. The teachers were asked to rate the level of satisfaction with reference to their job. The average of the answer received is **4.4**. The average shows that the teachers have rated it as **Very good**.
2. The teachers were asked to answer whether they find a fine balance between theory and its application in the syllabi of the courses. The average of the answers received is **4.2**. It shows that teachers have rated the balance **very good**.
3. The teachers were requested to rate the infrastructural facilities available in the college. The average of the feedbacks received is **4.3**. It shows that the teachers have rated the facilities of the college as **very good**.
4. The teachers were enquired whether the college provides adequate opportunities and support for upgrading qualification and work skills. The average of the feedbacks received is **4.5**. The average shows that most of the teachers have rated college as **excellent** in terms of providing adequate opportunities and support for upgrading qualification and work skills.
5. The environment and work culture in the campus is conducive to teaching and learning. **4.6**
6. The teachers were questioned whether the textbooks, reference books, and journals available in the library are relevant and constantly updated. The average of the feedbacks received is **4.3**. The average shows that the teachers find it **excellent**.

7. The teachers were asked on the availability of ICT support and online facilities for teaching and learning are conducive to their job. The average of the feedbacks received is **4.1**. The average shows that the teachers find the college **very good** with regards to the availability of ICT support and online facilities for teaching and learning.
8. The teachers were enquired about freedom with regard to pedagogy and adoption of new techniques in teaching-learning and assessment by the college authorities. The average of the feedbacks received is **4.4**.
