MESSAGE

An educational institution is not only a seat of academics but also a cradle to nurture the student into a full grown individual. This philosophy is a belief, a faith and a practice at Karim City College. I am happy that the NSS wing of our college has been engaging our students towards the building of a sane society and a capable nation. We believe that Institutional Social Responsibility (ISR) can prove a big role player in turning our students into a responsible and responsive citizen. The present annual report of the activities of our NSS unit reflects our commitment towards the society and the nation.

Happy Reading.
