### **Abstract:**

Cinema is not only a symbol for entertainment in India, but it also enlightens millions of people every day. Friday is marked by the screening of new movies. Indians are happily active in the country's movie culture. For all filmmakers globally, Shakespearean tragedies have been a never ending source of inspiration. Many Hindi films such as Shahid, Omkara, Goliyo ki raasleela Ramleela, etc. are based on Shakespeare literature. William Shakespeare was an exceptional and ground-breaking venture in India. Shakespeare's literary series is dynamic and an unlimited source of inspiration for countless individuals around the world. As the writing of Shakespeare in the cinema is adapted, it sets it ablaze and moves the viewer to a cinematic paradise. A mixture of 'videsi' and 'desi', a fusion of East and West, and an Oriental and Occidental cultural exchange can be perceived as an Indian adaptation of both Shakespearean tragedy and comedy. He is regarded as an ace literary craftsman by Shakespeare's, "bisexual," mind, the intensity of his narrative, music, story-telling, and
