TREE PLANTATION

Tree plantation drive was conducted 10th January 2024 by the Department of Computer Applications. Many trees were planted by our students in the college. All the students of the department participated in the drive. The members pledged to plant trees at home and in the college campus. Dr. Anwar Shahab Coordinator department of computer applications and the Department of information technology and Chief Controller of Exams, Dr. B. N. Tripathi led the drive and encouraged students to plant more and more trees. The department head gave an inspirational speech to the students on the importance of trees in the realms of clean environment and water conservation.
