DEPARTMENT OF INFORMATION TECHNOLOGY

Our department has completed its 17 years and our students have been performing with 100% result in the university examination during these years. In order to equip students with practical experience and technical skills our department is imparting vocational training to the students. We are trying to prepare our students to meet the demand of a working environment.

The department has two regular faculties and three guest faculties. For IT lab we have a lab in charge. Our faculty is working dedicatedly and passionately to ensure the quality of teaching and learning to motivate students for a better life and career.

The online mode which curtailed the personal choice of college for interested student resulted in lower admissions till the last sessions. **This year things have improved and currently we have 60 candidates in B.Sc. IT and total seat allotted is 60. This year the number of female candidates was 05 and 55 were boys. The no of female candidate was 9 and male candidate was 26. Number of candidates belonging to following categories:**

Category	:	No of Students
General	:	27
SC	:	1
ST	:	3
OBC	:	22
Minority	:	7

Two candidates were from Bihar and rest from Jharkhand.

Last year there were two elections- Parliamentary and for Jharkhand Legislative Assembly, this caused a lot of delay in the examination and declaration of results. However our students have again shown very good results. **From B.Sc IT (Hons) Nikita Kamti obtained 84.79% marks and Aasna Qawi obtained 83.67 % marks in Kolhan University UG Examination 2020.**

Nikita Kamti is currently employed with Wipro Technologies.
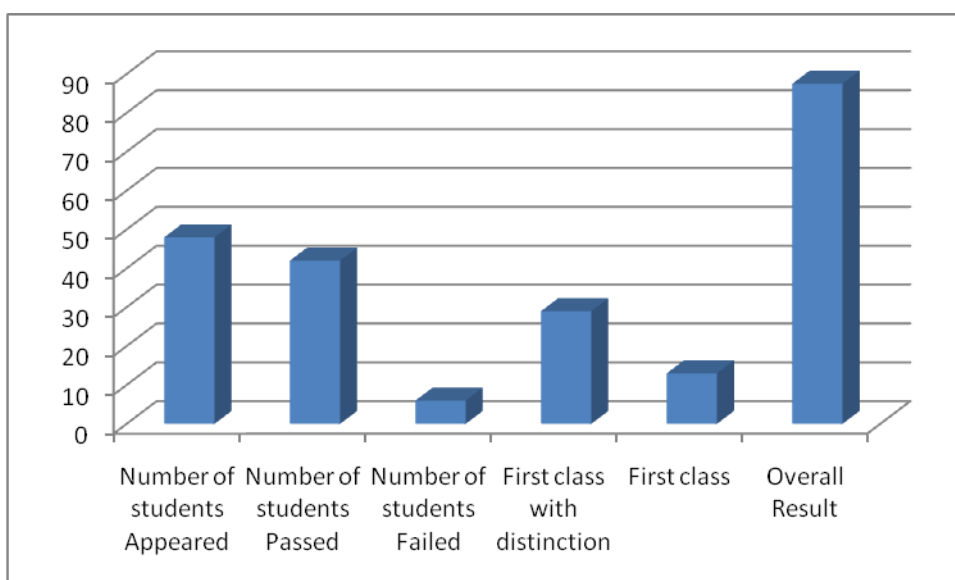

ADMISSION DETAILS:

In the session 2019-2020, the department of Information technology admitted 60 students of which 05 were girls and 55 were boys. This year the number of female candidates was very low.
