WOMEN'S CELL

In order to ensure smooth functioning of the teaching and learning process and in an effort to make the campus free from any gender bias the WOMEN'S CELL has been constituted this year as per the norms of the UGC. The cell has been authorized to take up issues related to the girl students and women. The cell organizes different programs to sensitize the students in general and girl students in particular with regard to gender specific issues. The cell has women staff members, girl students, and parent representative in its structure. The primary mission of the cell is to make the campus safe for the students by sensitizing the students on gender sensitive issues, fundamental rights and the Supreme Court's mandate of prohibition of gender discrimination in order to promote gender equality. Competitions that are conducted by the cell are designated to showcase the talents of the students in order to boost their confidence and to identify their areas of strength.

AIMS & OBJECTIVES

- To enhance the self esteem of the students.
- To strengthen moral values among students so that they become responsible citizens.
- To prevent gender discrimination
- To create awareness about social problems.
- To make the female students realise that they have an equal share in building society.
- To cultivate leadership skill among students.
