Guftagu: Come and Talk: Guftagu is organised annually and inculcating awareness on sexual harassment is a major part of the discussion. Students are made aware about the process of registering complains about sexual harassment. A safe workplace is therefore a woman's legal right. Indeed, the Constitutional doctrine of equality and personal liberty is contained in Articles 14, 15 and 21 of the Indian Constitution. These articles ensure a person's right to equal protection under the law, to live a life free from discrimination on any ground and to protection of life and personal liberty.
