**Sub: Proposal for Implementation of Employability Skills Training & Domain Training Programme for final year passing out Graduate & Post Graduate Students under Mahindra & Mahindra's CSR initiative "Mahindra Pride Classroom" on Online and Offline Platform.**

Dear Sir/Ma'am,

**Greetings from Naandi Foundation's Mahindra Pride Classrooms!**

**Mahindra Pride Classroom** is a flagship Corporate Social Responsibility (CSR) Livelihood programme of the Mahindra and Mahindra group and is fully implemented by Naandi Foundation, a Public Charitable Trust incorporated under the Indian Trusts Act, having its registered office in Hyderabad.

Mahindra Pride Classroom's vision is "To mainstream socially and economically disadvantaged youth, through the process of skill-development training, so as to make them employable in the various sector".

The Mahindra Pride team strongly believes that apart from academic education, Skill Development is also required for students when they step out into the professional world. It is imperative for young adults to be equipped with essential life skills and soft skills. While certain skills may be acquired through everyday experience at home, Classroom or College, they are not sufficient to adequately equip the youth in today's complex society.

**The Mahindra Pride Classroom aims to help students to:**

- Develop an identity and improve their self-esteem.
- Manage emotions and overcome obstacles.
- Build relationships and polish their interpersonal skills.
- Enhance and improve employability skills.
- Improve personal and professional effectiveness.

The life skills component of the training module has helped to transform the learners into confident, determined, goal-oriented youth – a personality shift essential for them to pursue successful careers in the sectors of their choice.

It has helped improve students' understanding of the world and their role and responsibility towards it. It has also enabled them in finding ways to cope with the challenges that life throws at them. These young adults who underwent our training, firmly believe that they will be able to live a more productive and fulfilling life.

## What does the Mahindra Pride Classroom programme consist of?

- Life Skills - compassion, respect, gratitude, being a responsible global citizen
- Soft Skills - grooming, body language, teamwork, time management, social manners, etc.
- Communication Skills - functional English and the ability to express themselves clearly in the local language
- Presentation Skills - speaking clearly, coherently and confidently.
- Interview Skills - resume preparation, interview questions, mock interviews

As a part of our Institutional Skilling initiative in Kerala, Tamilnadu, Telangana, Andhra Pradesh, Maharashtra, Delhi, Uttar Pradesh, Haryana, Odisha, Bihar, Jharkhand, West Bengal and Assam we have collaborated with various Universities, Department of Technical Education, State Skill Development Authorities, Employment & Labour Department across different parts of India.

Besides, we have collaborated with various ITI, Polytechnic, Engineering College, Central Tool Room and Training Centre, Vocational Training Colleges, Commerce, Arts and Science College, Hospitality institutes and Nursing colleges for conducting the upskilling training sessions for the youth. Our employability training programme was welcomed by all and created a great impact on the students. The Campus to Corporate training program prepared the students for the corporate world and helped them to emerge as better professionals.
