

Brief Report on Three-Day Research Methodology

Event: Research Methodology
Instructor: Dr. G. Vijaylakshmi
Venue: Karim City College
Duration: 3 days
Dates : 17,18,19 January, 2022
Participants: 32 Students

Overview:

Dr. G. Vijaylakshmi conducted a three-day Research Methodology workshop for students at Karim City College. The sessions focused on enhancing students' understanding of research processes and methodologies essential for academic success.

Key Topics Covered:

1. **Introduction to Research:** Overview of research types, significance, and ethics.
2. **Research Design:** Detailed exploration of qualitative and quantitative research methods.
3. **Data Collection and Analysis:** Techniques for gathering and analysing data effectively.

Outcome:

Students gained practical knowledge of conducting research, from designing studies to analyzing data, preparing them for academic research projects. The workshop was well-received, and students appreciated the clarity and depth of Dr. G. Vijaylakshmi's teaching.
