Teacher's Feedback Analysis **2020-21**

IQAC recorded feedback of teachers as part of feedback documentation of stakeholders from 58 teachers of 18 departments of the college for the session 2019-20. The feedback has been recorded online through Google form with 10 questions. The teachers were given a scale of 0 to 4 in which 0 stands for 'unsatisfied', 1 stands for 'satisfactory', 2 for 'good', 3 for 'very good' and 4 for 'excellent'.

- The teachers were asked to rate the level of satisfaction with reference to their job. The average of the answer received is **3.1**. The average shows that the teachers have rated it as **Very good**.
- The teachers were asked to answer whether they find a fine balance between theory and its application in the syllabi of the courses. The average of the answers received is **2.9**. It shows that teachers have rated the balance **good**.

Teacher's Feedback Analysis 2020-21

- The teachers were requested to rate the facilities available in the college. The average of the feedbacks received is **3.4**. It shows that the teachers have rated the facilities of the college as **very good**.
- The teachers were enquired whether the college provides adequate opportunities and support for upgrading qualification and work skills. The average of the feedbacks received is **3.7**. The average shows that most of the teachers have rated college as **very good** in terms of providing adequate opportunities and support for upgrading qualification and work skills.
- The teachers were questioned whether the textbooks, reference books, and journals available in the library are relevant and constantly updated. The average of the feedbacks received is **3.5**. The average shows that the teachers find it more than **very good** and leading towards excellence.

Teacher's Feedback Analysis 2020-21
