Department of Hindi

1 BRIEF HISTORY –

In the history of Karim City College, the Department of Hindi has existed from the time of its establishment. It has a glorious history of struggle and works for the development of the college, itself, and the welfare of society. The first Head of the Department was Professor Sangram Singh, who joined on the 1st of October 1963, working hard with his colleagues to build a solid foundation for the future. Prof. (Dr) Tribhuvan Ojha and Dr Safiullah Ansari were the Assistant Professors of Dept. of Hindi, Karim City College under him. After the dignified retirement of Prof. Sangram Singh in June 1995, Dr. Tribhuvan Ojha (who joined on the 1st of August, 1967) took over the office with Dr. Safiullah Ansari in the role of Assistant Professor. After the dignified retirement of Prof. Ojha in January 1998, Dr. Safiullah Ansari (working from 16th July 1987) took charge as Head of the Department, with Dr. H.K. Pandey and Dr. Subhas Gupta were the faculty members. Dr. H.K. Pandey joined as Assistant Professor on 5th September 1999 and retired in April 2016. Currently Dr. Safiullah Ansari is Head of the Department and Dr. S.C. Gupta and Dr. Sandhya Sinha are working as Assistant Professor.

Year 2010 was a Golden Year when keeping in mind the smooth and exemplary working and vision of the Department, Kolhan University offered the course of Honors in Hindi to Karim City

College. The College accepted this responsibility, and from the year 2010, Hindi Honors course has been offered along with all previous courses successfully. The Dept. has instituted general courses for Graduation level students. In the year 2017, CBCS pattern of syllabus was introduced and the Department is involved in conducting this new syllabus with technological aids of teaching. Currently, 1st and 2nd semesters of CBCS are ongoing in which courses like Hindi Hons, MIL, SEC, DSC, GE are being offered for the Honours and programme course students. (Syllabus enclosed)

Along with these, the second year of the earlier pattern is also ongoing in which Hindi Hons, Hindi subsidiary, and Hindi MIL are compulsory for all three streams, as well as for non-Hindi students in science, arts and commerce. Hindi is also an optional paper for all students.

Alongside all the aforementioned courses, the Department has occasionally organized extra and co-curricular activities to nurture literary interest, literary skills, and reading-writing habits of standard and utility-based literatures. Essay and debate competitions, kavi-goshthi, katha-vachan, and guest lectures are the main activities in this regard. It is a matter of pride for the College that many alumni are contributing literary works on state, national and even international platforms.

Every year the Department produces a good number of Hindi Honors graduates who keep the Karim City College name flying high.

All 16 students of Hindi Honors were present in the Induction session. All Faculty members were present.

He also gave a basic mantra to the students - study and live with dedication. Students were told that it is necessary to follow discipline in the college. Karim City College follows the co-education pattern with great discipline, where boys and girls are treated equally and personal dignity is given sensitivity.

While describing the facilities of common rooms for boys and girls, the means and facilities for sports were underlined. Students were invited in this direction by presenting the records of the Department's success in previous sessions. It was emphasized that along with mental and academic development, physical and social development can also be taken seriously and they can adjust themselves in the rapidly developing world to reach the pinnacle of success. Students can clearly identify their area of interest and seriously take steps towards it. The College will always continue to pave the way for their development.

In the introduction session it was also relayed that the Library offers special facilities where online books can also be available along with teachers' notes are available. Students can study in the reading room. Along with current studies, they can also prepare for practical exams. Teachers can also guide them in this direction. Importance of following the prescribed rules and discipline for using the facilities of the library and reading room was emphasized.

Other facilities of the college were also outlined, like ICT tools and technology to help students study according to their preference and strengthen their knowledge and understanding. These tools include smart boards, computer labs, media rooms, Wi-Fi connections, and availability of online study materials.

He also talked about the excellent condition of the college canteen, which is monitored and checked by the teachers in charge regularly. Here cleanliness and quality are given special attention. Dr. Subhash Chandra Gupta asked every student to give a personal introduction with their interest and hobby. He provided information about the Departmental routine and classes. 2 Web- seminar session on 16th Sept'2020, topic – Samkalin Hindi Kahani men Stri –

A departmental web- seminar was organized in the Hindi Department of Karim City College on 16th August which was presided over by Dr. Safiullah Ansari, Chairman of the Hindi Department. As the main

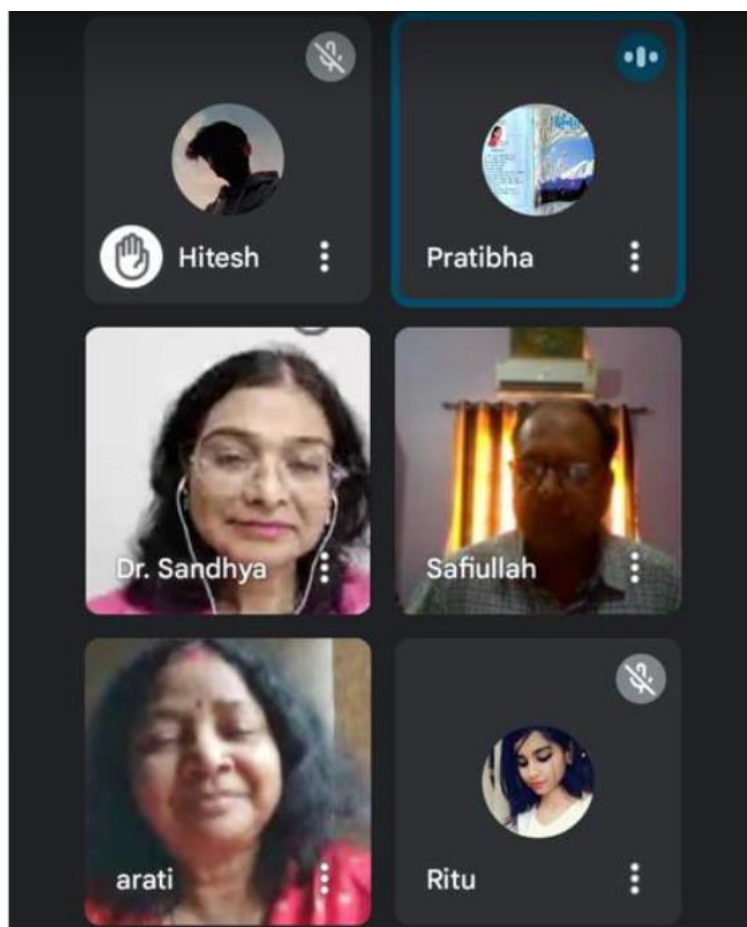

speaker in the seminar, Dr. Sandhya Sinha, professor of the department, gave her concise and researched lecture on the topic of women's discourse in contemporary Hindi stories. In her speech Dr. Sandhya said that the silence of women has been going on for centuries and ages. Therefore, whenever a woman speaks, scriptures, discipline and society attack her and silence her. If we compare men and women, then since childhood the importance of men in the society is more than that of women. Our society differentiates between men and women.

Women's discussion which has today been considered synonymous with body discussion. It seems that at the centre of a woman's social status is her physical structure. His physicality was combined with noble character and morality, but this morality is one-sided. This definition of morality is for women and not for men. According to Engels' book 'The Origin of Family Private Property', since the beginning of vision, male power has been hindering women's consciousness and its movement. In fact, the entire constitution has been made for this purpose, history is witness to it that patriarchy has been brutally crushing women's identity and autonomy all over the world. Usha Ojha's story 'Gummi-Gummi' depicts the exploitation of tribal women. They are deprived of employment. Even outside the forest, cunning minded people have made full use of their fearlessness and strength for theft. Tribal women found this way easy to escape from starvation and later on, stealing became their habit. She presented many examples from today's writings.

In the last phase of the seminar, the participating students raised their queries through questions, which were satisfactorily answered by Dr. Sandhya Sinha.

Dr. Safiullah Ansari said in his valedictory speech that they are also hardworking and dedicated but the society is not ready to accept it. Women are suffering from both social and economic points of view. She is not able to progress in both the fields in her own way. He has to follow the laws made by the society again and again, failing which he has to be punished.

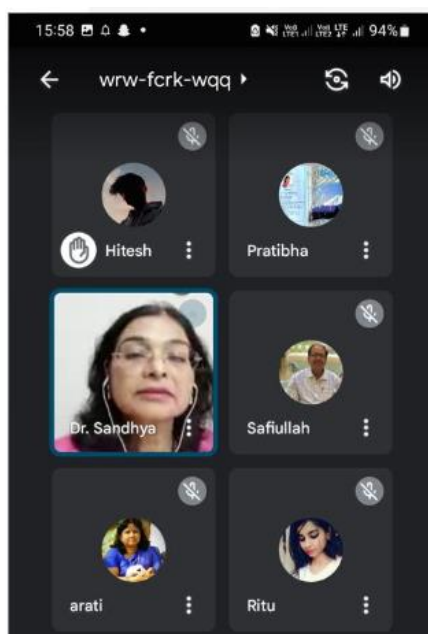

Dr. Subhash Chandra Gupta conducted the session and student Neha proposed vote of thanks.

3 Web- seminar session on 15th Feb'2021, Topic “Sampradayikta Ka Prashna Aur Rahi Masum Raza”, Speaker - Dr Safiullah Ansari, professor of the Department of Hindi
