## Alumni Feedback Analysis and ATR 2023-24

The Alumni feedback form is designed to allow the alumni to give feedback about the course and its relevance, teaching learning methods, infrastructure and student support facilities, curricular and co-curricular activities, literary cultural and extension activities, departmental activities, relation with the teachers, campus infrastructure and governance and management of the college and its vision the curriculum, their experiences, and the service offered by their college. With this form, the alumni can fill out their contact details, current employment status, express their satisfaction or dissatisfaction with their degree and mention their achievements. The feedback gotten from the alumni can be used to improve and review the curriculum and policies of the college. The alumnus has expressed that they enjoyed the healthy environment, infrastructure, and well-established lab, also highly qualified and experienced faculty in different departments in the college premises.

Feedback form was given to Alumni on 10 questions to obtain their input as feedback is essential for successful planning. Alumni feedback was taken in the online format and 85 alumni responded. The main objective of this feedback is to involve the alumni into the developmental process of the institution.

The response of the alumni to all the parameters ranged between good and very excellent.. Most of the alumni felt proud to be a part of the college and thankful to the college for providing quality education and appreciate the dedicated faculty. They felt that the College played a crucial role in shaping their personal and professional life. The college has stuck to its vision of providing quality education to the less privileged section of society.

### Strength

1. Feedback and suggestions are regularly invited and incorporated.
2. The college has a progressive team of dedicated and supportive faculty.
3. The staff of the college is helpful and cooperative.
4. The campus is clean and disciplined.
5. Departmental activities are organized regularly.
6. Gender equality initiatives organized to create awareness
7. Literary, cultural, sports activities promoted.
8. Student support services are active.
9. Extension activities organized for inclusion of community
10. Labs and reading rooms maintained and functional. Personality development is focused and a culture of excellence is promoted.

## Weakness

1. A lack of space prevents the construction of new buildings which is a major impediment. There is no playground and parking is limited.
2. Lack of vocational courses to meet industrial demands.

## Suggestions

1. One Student committee apart from the student committees attached to each platform.
2. Student counseling at a regular basis.
3. Students should be allowed inside the library.
4. There should more washrooms especially for girls.

## Action Taken Report

This report was submitted before the principal and he had a meeting with the alumnicell. On the basis of this the following decisions were undertaken.

1. The management hopes that all these requirements will be met in the forthcoming new campus.
2. Resolution undertaken to conduct Student counseling sessions on a regular basis.
3. Plan to re start add-on vocational courses to meet industrial needs.
