# BEST PRACTICES

- ▶ Data interpretation: teach students how to interpret data and make statistical an mathematical tools to analyse.
- ▶ Remedial classes: engage remedial classes for weak students
- ▶ Mentorship: Provide guidance for academic and career related concerns.
- ▶ Availability of Previous year questions
- ▶ Students Seminar

# SWOC ANALYSIS

## STRENGTH

- ▶ Experienced and qualified faculty members
- ▶ Only college [in KOLHAN UNIVERSITY] having two teachers with Mathematical Economics and Econometrics Specialization
- ▶ Sufficient number of quality text books available in the college library.

## **WEAKNESS**

- \* Poor attendance of students in the classroom.
- ▶ Traditional teaching methods with limited use of modern teaching tools
- ▶ Due to dependence on university for examinations late session has become a routine matter.

# OPPORTUNITY

- ▶ Opportunity to build ties with local industries to enhance students placement opportunity
- ▶ Interest in economics is increasing due to its relevance in understanding global and national economic issues
- ▶ To make aware about economic ideas in general students through MDC course.

## CHALLENGES

- ▶ Tough competition from newly established universities around the city and online platforms like YOUTUBE
- ▶ Impossible to retain good students due to non availability of PG courses in economics in the college
- ▶ Extensive course curriculum of MINOR Courses in economics
- ▶ To cope up mathematical phobia among students.

# FUTURE PLANS

- To start P.G. courses in economics for which proposal has already been sent to Kolhan University Chaibasa.
- To start Post Graduate Diploma course in Econometrics provided university grants permission.
