ONE-WEEK NATIONAL WORKSHOP

📅 22ND JAN TO 28TH JAN 2026

ON
DEVELOPING E-CONTENT FOR ONLINE TEACHING

ORGANISED BY:

FACULTY OF COMMERCE, KARIM CITY COLLEGE, JAMSHEDPUR, JHARKHAND

IN ASSOCIATION WITH

DEPARTMENT OF COMPUTER SCIENCE
ALIGARH MUSLIM UNIVERSITY, ALIGARH

SPONSORED BY: JHARKHAND STATE HIGHER EDUCATION COUNCIL
DEPARTMENT OF HIGHER & TECHNICAL EDUCATION, GOVT. OF JHARKHAND

INTRODUCTION

This one-week offline workshop, "Developing E-content for Online Teaching," addresses the growing importance of digital learning. It is further emphasized by UGC's mandate allowing up to 40% online credit completion. Faculty of Commerce, Karim City College, Jamshedpur has recognized the need to equip HEI teachers with contemporary digital skills and has designed this workshop to enhance the overall effectiveness of online teaching.

The program focuses on building foundational knowledge and innovative pedagogy to meet the evolving educational needs. It aims to empower teachers for professional growth to enhance student learning outcomes. Key themes include E-content development tools and techniques as well as digital pedagogy (peer learning, flipped classrooms, blended learning. and Think-Pair-Share), and E-content dissemination.

OBJECTIVES

• To train teachers in the use of online pedagogy and enable them to utilize essential educational technology tools and a Learning Management System (LMS) for effective online teaching technology.

• To train teachers in E-content development tools and technologies essential for effective online teaching.

EXPECTED OUTCOMES

After successfully completing "Developing E-content for Online Teaching" Workshop, the participants will be able to:

•Understand how to apply online pedagogical techniques in their classrooms.
•Develop E-content to support online teaching.
•Utilize key educational technological tools and LMS for disseminating teaching materials, communicating effectively with students, conducting online assessments, etc for effective online teaching with a student-centric approach.

TOPICS TO BE COVERED DURING THE WORKSHOP

01
Cloud-Based E-content Development: Tools & Techniques

02
OSS Utility Tools for E-content Development

Competencies for Blended Learning: A step-by-step approach

04
ICT-Based lesson plan

05
E-content Development Tools for Effective Teaching and Learning

06
E-content Development & LMS

07
Creating MOOCs for SWAYAM

08
Producing Audio-Video Content for MOOCs

09
Creative Common Licence : The Copy Left Licence For The Digital Contents

ABOUT THE COLLEGE

Syed Tafazzul Karim, with his limited resources sowed the seeds of education for the socially, economically and educationally deprived and weaker sections of society, especially Muslims. He began with the establishment of school in 1946 and his efforts towards the establishment of a college bore fruits in 1961 when the college was formally started. Karim City College, located in the heart of the lush and well-planned city of Jamshedpur, is a Muslim Minority Institution run and managed by Karim's Trust, Jamshedpur, with permanent affiliation to Kolhan University, Chaibasa, West Singhbhum, Jharkhand. Over the years, it has remained committed to improving and upgrading academic standards in line with changing needs, patterns, and parameters of higher education. By evolving innovative educational and managerial paradigms, making bold decisions, and pursuing challenging goals, the college achieved **B++** in its fourth cycle of NAAC accreditation in 2025.

In the year 2013, the institution inaugurated a new state-of-the-art campus at Mango to house its Faculty of Education. The new well-planned and spacious campus offers enhanced, facilitated and improved infrastructure to meet the needs of modern learning.

Committed to promoting quality education aligned with both intellectual and vocational needs, as well as evolving demand of society and the nation, the college has today carved a respectable niche for itself in the city's educational landscape and within its socio-cultural fabric. At present, the college caters to around 5,000 undergraduate and postgraduate students and offers 21 UG programs, 8 PG programs, and a one-year PG Diploma program.

Apart from running the traditional B.A., B.Sc., B.Com. programs and Post–Graduation in Mathematics, Chemistry, Commerce, Psychology, Urdu, Political Science and English, the college also offers vocational (Self-financed) UG Degree in Mass Communication, Computer Applications, Information Technology and B.B.A. and a Vocational P.G. Degree in Mass Communication. The college runs a wide range of courses through its Centre for Distance Education, which hosts an IGNOU Study Centre. The college provides facilities of placement of students in reputed companies and institutions with an attractive salary package through Employability Excellence with College Education & Learning (EXCEL) - a flagship program of the Jharkhand Skill Development Mission Society (JSDMS), Government of Jharkhand - along with the Career Planning & Guidance Cell, and the Placement Cell.

ABOUT THE FACULTY OF COMMERCE

The Faculty of Commerce came into existence as an independent wing with the launching of the B.Com Course in 1963. The Faculty has been making extraordinary endeavours to improve its profile, by serving the community on different fronts, in the form of quality education through Add-on Courses, M.Com course was introduced in the year 2015. Since its establishment, the faculty has carved its distinct place in the university and has emerged as one of the premier colleges in the state.

The main aim of the Faculty of Commerce is to offer affordable, superior quality and professional education to build graduates and postgraduates with high ethical and management qualities. The Faculty of Commerce is fully equipped with a wide range of the latest technology tools including Smart Classrooms and a fully furnished and well-stocked central library as well as faculty library with all the necessary course books, reference books, and journals.
