Alumni Feedback Analysis Report and Action Taken Report (ATR) 2024–25

Karim City College, Jamshedpur

The Internal Quality Assurance Cell (IQAC) of Karim City College, Jamshedpur, conducted an Alumni Feedback Survey for the academic session 2024–25 to assess the effectiveness of academic programmes, infrastructure, student support services, co-curricular activities, and overall institutional functioning.

The feedback was collected through a structured questionnaire consisting of ten parameters covering curriculum, teaching-learning process, infrastructure, developmental activities, student support services, governance, and alumni-teacher interaction. A total of 60 alumni participated in the survey. The responses were recorded on a five-point scale and analyzed to identify institutional strengths, areas for improvement, and future developmental initiatives.

Feedback Analysis

The overall response from alumni was highly encouraging. The average score of all parameters ranged between 3.9 and 4.4, indicating a Very Good level of satisfaction with the academic and administrative functioning of the college.

The alumni appreciated the quality of teaching, supportive faculty members, disciplined campus environment, library facilities, and opportunities for overall personality development. Most respondents felt that the education received at the college contributed positively to their professional growth and career progression.
